

**School Annual Education Report (AER) Tau Beta School**

February 10, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Tau Beta School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Kim Winiarski for assistance.

The AER is available for you to review electronically by visiting the school's website <https://www.hamtramckschools.org/domain/190> or you may review a copy in the main office at your child's school.

For the 2022-23 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

Reflecting upon student data from the 2021-2022 M-STEP, scores indicate achievement gaps in Reading and Math. We continue to actively work and address these issues in all content areas with targeted intervention-based strategies and differentiated instruction to meet the needs of all our students. Data will continue to be collected and analyzed to monitor academic achievement and growth through District facilitated ILCs and building lead PLCs. These initiatives will help accelerate student achievement and minimize the gap that currently exist.

State law requires that we also report additional information.

1. Students are assigned to schools within the District geographically, however parents are permitted to request placement at other schools within the district
2. The 3-5 year MiCIP plan is being revised under the support from Wayne RESA and District Officials
3. Tau Beta is not a specialized school
4. The core curriculum is aligned to the state model and can be accessed on the district website ([www.hamtramckschools.org](http://www.hamtramckschools.org)) or in hard copy at the main office of the school. Teachers have a copy of the curriculum and their instructional delivery in the classroom is aligned
5. Fall iReady Reading data shows 87 students (35%) three or more grade levels below, 78 students (31%) two grade levels below, 76 students (30%) one grade level below, 10 students (4%) on grade level. Fall iReady Math data shows 71 students (28%) three or more grade levels below, 69 students (28%) two grade levels below, 102 students (41%) one grade level below, and 8 students (3%) on grade level.
6. Parent-teacher conferences have always been a proud point of collaboration between school and home for Tau Beta. At the elementary level, 89% (88.8%) of parents actively attended conferences; and middle school had 48% (47.6) parents attend conferences.

Hamtramck Public Schools continues to implement a rigorous curriculum and challenging educational programs that will prepare your child to be successful in the future. We are committed to acquiring the most advanced educational technology, the newest resources, and the best-qualified personnel necessary to succeed in an ever-changing technological world.

Our goal is to increase our students' ability and proficiency in all academic areas. These principles are exemplified through the programs and courses we offer, including courses that promote high-level thinking and develop problem-solving skills. We offer additional instructional support for identified students and differentiate the instruction to meet the needs of the students who excel with the curriculum. We educate every child with the holistic approach.

Through parent and teacher collaboration and communication, we look forward to continued success of our students.

Sincerely,

Kimberly Winiarski  
Principal – Tau Beta School

**NAEP Participation Data**

Grade	Subject	Participation Rate for Students with Disabilities Excluding Students with 504 Plans	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math Reading	80.7 83.5	4.04 3.27	95.0 94	2.55 2.37
8	Math Reading	86.9 89.3	1.98 2.33	95.0 95.7	2.21 1.91

*The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.*
