PURPOSE AND INTENT: The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful relations for the mutual interest of the employer, the employees and the union.

The parties recognize that the interest of the community and the job security of the employees depend upon the employer's success in establishing a proper service to the community.

To these ends, the employer and the union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

1. MANAGEMENT RIGHTS

(a) Both parties to this Agreement recognize that because of limitations which apply, and for sound business practices in the operation of the schools, the Board of Education has the responsibility of limiting expenditures to reasonable anticipated revenue.

(b) The Board and the Union agree that the Board, on its own and on behalf of the electors of the district, hereby retains and reserves unto itself all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and Constitution of the State of Michigan.

2. RECOGNITION - Employees Covered

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the employer does hereby recognize the union as the exclusive representative for the purpose of collective bargaining in respect to rate of pay, wages, hours of employment, and other conditions of employment for the term of the Agreement of all employees of the employer included in the bargaining units described in APPENDIX A.

The employer agrees that no employee will be discriminated against because of age, sex, color, national origin, race, religion, marital status, union membership or activity within the union.

3. AID TO OTHER UNIONS

The employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the union.

4. UNION REPRESENTATION

It is mutually recognized that the principals of proportional representation which reflects the increase and decrease in the work force is a sound and sensible basis for determining proper representation.

5. STEWARDS AND ALTERNATE STEWARDS

Delay in granting the request shall not exceed one hour.

(d) Within 10 days after executing this agreement a list of all named stewards and their respective shifts will be submitted in writing to the office of the Superintendent of Schools. Failure to comply with this provision will negate any responsibility on the part of the employer of notifying a steward of any action taken by the employer. (If changes occur, the list will be updated and the Superintendent notified).

(c) The employer will keep the seniority list up-to-date at all times and will provide the local union with up-to-date

copies semi-annually.

An employee shall lose his seniority for the following reasons only:

(a) He quits his employment.

(b) He is discharged and the discharge is not reversed through the procedure set forth in this Agreement.

(c) He is absent for three (3) consecutive working days without notifying the employer. In proper cases, exception shall be made. After such absence, the employer will send written notification by certified mail to the employee at his last known address with a copy to the union that he has lost his seniority and his employment has been terminated. Notwithstanding their position on the seniority list, the President and Grievance Committee of the Local Union, shall, in the event of a lay-off, be continued at work at all times provided they can perform any of the work available.

19. SUPPLEMENTAL AGREEMENTS

All proposed supplemental agreements shall be subject to good faith negotiations between the employer and the union. They shall be approved or rejected within a period of ten (10) days following the conclusion of negotiation.

20. LAY-OFF DEFINED

(a) The Board of Education reserves the right to lay-off for lack of work or funds, or the occurrence of conditions beyond the control of the School District; or when such continuation of work would be unproductive; provided such actions do not conflict with the terms of the Agreement.

(b) If it becomes necessary for a lay-off, the following procedure will be followed: Within classification, probationary employees will be laid off first. Seniority employees will be laid off according to seniority as defined in Section 16 (c), and Sections 20 and 21.

(c) Employees to be laid off for an indefinite period of time will have at least fifteen (15) calendar days notice of lay-off. The local union secretary shall receive a list from the employer of the employees being laid off on the same date the notices are issued to the employees.

(d) Contractual Work - The right if contracting or subcontracting is vested in the Board of Education. The right to contract or subcontract shall not be used for the purpose or intention of undermining the union nor to discriminate against

any of its members nor shall it result in a lay-off of any employee covered by this Agreement.

21. RECALL PROCEDURE

When the work force is increased, after a lay-off, employees will be recalled according to seniority as defined in Article 16 (c) and Article 20. Notice of recall shall be sent to the employee at his last known address by registered or certified mail. If an employee fails to report for work within ten (10) days from date of mailing of notice of recall, he shall be considered to have quit. In proper cases exceptions may be made.

22. TRANSFERS

(a) Transfer of employees - If an employee is transferred to a position under the employer not included in the unit and thereafter transferred again to a position within the unit he shall have accumulated seniority while working in the position to which he was transferred. Employees transferred under the above circumstances shall retain all rights accrued for the purpose of any benefits provided for in the Agreement.

(b) If an employee is transferred from one location to another for a period of more than seven (7) calendar days, such employee affected will be given the opportunity to transfer on the basis of the following criteria: qualifications and attendance; and if the personnel decision involves 2 or more employees and all factors are equal, then length of service (seniority) may be used as the tie breaker.

(c) The employer agrees that in any movement of work not covered above in Section 23 (a) and (b), he will discuss the movement with the union in order to provide for the protection of the seniority of the employees involved.

(d) In the event of a vacancy or newly created position, employees shall be given the opportunity to transfer based on the following criteria: qualifications and attendance and if the personnel decision involves 2 or more employees and all factors are equal, then length of service (seniority) may be used as the tie breaker. In such cases all vacancies and newly created positions shall be posted in a conspicuous place in each building in the district at least seven (7) calendar days prior to filling such vacancy or newly created position. If the senior employee disagrees with the reason for denial, it shall be the proper subject for the grievance procedure.

23. PROMOTIONS

(a) A promotion will be based on the following criteria: qualifications and attendance and if the personnel decision involves 2 or more employees and all factors are equal, then length of service (seniority) may be used as the tie breaker. Job vacancies shall be posted for a period of seven (7) calendar days setting forth the minimum requirements for the position in a conspicuous place in each building. Employees interested shall apply in writing giving their qualifications within the seven (7) calendar day posting period. The employee applying for the promotion, and who meets the criteria listed above shall be granted a four (4) week trial period to determine (1) his desire to remain on the job, and (2) his ability to perform the job. In the event the senior applicant is denied the promotion, reasons for denial shall be given in writing to such employee's steward. If the senior applicant disagrees with the reasons for denial, it shall be a proper subject for the

grievance procedure.

(b) During the four (4) week trial period, the employee shall have the opportunity to revert back to his former classification. If the employee is unsatisfactory in the new position, notice and reasons shall be submitted to the union in writing by the employer with a copy to the employee. The matter may then become a proper subject for the second step of the grievance procedure.

(c) During the trial period, employees will receive the rate of the job they are performing.

(d) Employees required to work more than eight (8) hours in a higher classification shall be paid the rate of the higher classification after the first eight (8) hours.

(c) An employee returning from a leave of absence shall notify the Superintendent of such fact no later than thirty (30) calendar days prior to the expiration of that leave. LETTER OF AGREEMENT

#2

AFSCME Local 257 and the Board of Education of Hamtramck Public Schools agrees as follows:

The parties will establish a Committee composed of three union employees selected by the Union, and three non-union employees selected by the Superintendent. That Committee will review whether it is feasible and advisable for the District to self-insure for medical and/or dental and/or optical insurances. The Committee will provide a recommendation to the Superintendent in that regard. It is understood that, should the District self-insure, current benefits will not be diminished as a result, unless mutually agreed upon. If the District does self-insure, the District and all personnel who choose medical coverage will share on a 50/50 basis, in any savings after the first year of the self-insurance program. Within six months of the end of the first year the District is self-insured, each employee will receive a lump sum bonus. Employee bonuses will be equal.

The Committee will also study the feasibility of offering supplemental insurance coverage to employees, which may include Long-Term Disability medical insurance coverage, at the employee's cost. The Committee will make recommendations regarding supplemental insurance to the Superintendent.

(2A) Parties agree during contract period 2006 – June 30, 2009 Union members shall receive 100% of health care savings. July 1, 2009 revert back to Letter of Agreement #2 @ 50/50 split.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed on the day and year first above written.
