## 4110 - **CONFLICT OF INTEREST**

Staff members, officers, and agents shall perform their official duties in a manner free from conflict of interest. To this end:

- A. The maintenance of unusually high standards of honesty, integrity, impartiality, and professional conduct by School District's Board members, employees, officers, and agents is essential to ensure the proper performance of school business as well as to earn and keep public confidence in the School District.

To accomplish this, the Board of Education has adopted the following guidelines which apply to all District employees, officers and agents, including members of the Board to assure that conflicts of interest do not occur. These guidelines are not intended to be all inclusive, nor to substitute for good judgment on the part of all employees, officers, and agents.

1. No employee, officer, or agent shall engage in or have a financial or other interest, directly or indirectly, in any activity that conflicts or raises a reasonable question of conflict with his/her duties and responsibilities in the school system. When a staff member determines that the possibility of a personal interest conflict exists, s/he should, prior to the matter being considered by the Board or administration, disclose his/her interest (such disclosure shall become a matter of record in the minutes of the Board).
2. No staff member, officer, or agent shall use his/her position to benefit either himself/herself or any other individual or agency apart from the total interest of the School District.
3. If the financial interest pertains to a proposed contract with the District, the following requirements must be met.

The staff member, officer, or agent shall disclose the direct financial interest in the contract to the Board with such disclosure made a part of the official Board minutes. If his/her direct financial interest amounts to \$250 or more or five percent (5%) or more of the contract cost to the District, the staff member, officer, or agent shall make the disclosure in one (1) of two (2) ways:

- a. In writing, to the Board president at least seven (7) days prior to the meeting at which the vote on the contract will be taken. The disclosure shall be made public in the same manner as the Board's notices of its public meetings. (See Bylaw 0165.)
- b. By announcement at a meeting at least seven (7) days prior to the meeting at which a vote on the contract is to be taken. The staff member, officer, or agent must use this method of disclosure if his/her financial interest amounts to \$5,000 or more.

4. Employees, officers, and agents shall not engage in business, private practice of their profession, the rendering of services, or the sale of goods of any type where advantage is taken of any professional relationship they may have with any student, client, or parents of such students or clients in the course of their employment or professional relationship with the School District.

Included, by way of illustration rather than limitation are the following:

- a. the provision of any private lessons or services for a fee
  - b. the use, sale, or improper divulging of any privileged information about a student or client gained in the course of the employee's, officer's, or agent's employment or professional relationship with the District through his/her access to School District records
  - c. the referral of any student or client for lessons or services to any private business or professional practitioner if there is any expectation of reciprocal referrals, sharing of fees, or other remuneration for such referrals
  - d. the requirement of students or clients to purchase any private goods or services provided by an employee, officer, agent, or any business or professional practitioner with whom any employee, officer, or agent has a financial or other relationship, as a condition of receiving any grades, credits, promotions, approvals, or recommendations
5. Employees, officers, and agents shall not make use of materials, equipment, or facilities of the School District in private practice. Examples would be the use of facilities before, during, or after regular business hours for service to private practice clients, or the checking out of items from an instructional materials center for private practice.
- B. Should exceptions to this policy be necessary in order to provide services to students or clients of the School District, all such exceptions will be made known to the employee's, officer's or agent's supervisor and will be disclosed to the Superintendent **before** entering into any private relationship.
  - C. Employees, officers, and agents can not participate in the selection, award, or administration of a contract supported by a Federal grant/award if s/he has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his/her immediate family, his/her partner, or an organization which employs or is about to employ any of the parties described in this section, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

Employees, officers, and agents shall not solicit or accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts involved with Federal grant funds. Employees, officers, and agents may, however, accept a gift of unsolicited items of "nominal value" from a contractor or party to subcontracts that do not involve Federal grant funds. For purposes of this section, "nominal value" means that the gift has a monetary value of \$100 or less.

- D. To the extent that the District has a parent, affiliate or subsidiary organization that is not a State, local government or Indian tribe, the School District may not conduct a procurement action involving the parent, affiliate or subsidiary organization if the School District is unable, or appears to be unable, to be impartial.

## 4111 - CREATING A POSITION

The Board of Education recognizes the need to establish positions which, when filled by competent, qualified support staff, will assist the District in achieving the education goals set by the Board. The District employs only U.S. citizens and others lawfully authorized to work in the United States.

The Superintendent shall verify all new employees' and substitutes' right to work in the United States according to the Federal Immigration Reform and Control Act of 1986.

The Board reserves the right to:

- A. fix and prescribe the duties to be performed by all personnel;
- B. to create new positions;
- C. to specify the number of persons within each job category;
- D. set the initial salary for a new position.

In the exercise of its authority to create new positions, the Board shall give primary consideration to:

- A. the number of students enrolled;
- B. the special needs of the District;
- C. the special needs of the students;
- D. the operational services of the District.

The Board may create a new position or increase the number of support staff in an existing position.

The Board shall seek the advice of the Superintendent in creating a new support position or increasing the number of support staff in an existing position, but the Board reserves the right to act unilaterally.

The Board shall, upon the advice of the Superintendent, consider the advisability of creating a new support position or of increasing the number of support staff in an existing position.

The Board delegates the right to fix and prescribe the duties of support staff to the Superintendent.

## 4112 - BOARD-STAFF COMMUNICATIONS

The Board of Education desires to maintain open channels of communication between itself and the staff. The basic line of communication, will, however, be through the Superintendent.

### A. Staff Communications to the Board

All official communications from staff members to the Board or its committees shall be submitted through the Superintendent following the appropriate chain of command. This procedure is not intended to deny any staff member the right to appeal to the Board on important matters through established procedures.

### B. Board Communications to Staff

All official communications, policies, and directives of the Board of staff interest and concern to the staff will be communicated through the Superintendent, who shall also keep staff members fully informed of the Board's problems, concerns, and actions.

### C. Social Interaction

Both staff and Board members share a keen interest in the schools and in education generally, and it is to be expected that when they meet at social affairs and other functions, they will informally discuss such matters as educational trends, issues, and innovations, and general activities of the District. However, since individual Board members have no special authority except when they are convened at a legal meeting of the Board or vested with special authority by Board action, discussions between staff and Board members of personalities or personnel grievances will be considered to be unethical conduct.

Relatives of staff members may be employed by the Board, provided the staff member being employed is not placed in a position in which s/he would be supervised directly by the relative staff member.

Staff is prohibited from engaging in the practice of athletic training unless licensed and shall not offer to provide any service(s) that s/he was not qualified to perform by education, training, or experience or otherwise prohibited by law from performing.

Prior to hiring an applicant, the Superintendent shall obtain from the applicant a signed Consent to Obtain Records (Form 4120 F2) and shall obtain from the applicant's current or immediately-previous employer any records, including the applicant's personnel file relating to unprofessional conduct in which the applicant engaged. Any such records are to be reviewed prior to a recommendation for employment and may be disclosed to those individuals directly involved in evaluating the applicant's qualifications.

The employment of support staff members prior to approval by the Board is authorized when their employment is required to maintain continuity in District operations. Employment shall be recommended to the Board at the next regular meeting.

## 4120.09 - VOLUNTEERS

The Board of Education recognizes that more individualization and greater personal attention to the unique needs of students can be provided through the use of volunteers. Moreover, utilizing volunteers provides an opportunity to generate community interest and contribute to the public relations effort of the Board. Therefore, the Board endorses the concept of utilizing community volunteers who are willing to devote time and talent to expand learning experiences.

The Superintendent shall be responsible for recruiting community volunteers, reviewing the capabilities of each applicant, and making appropriate placements. S/He shall not be obligated to place volunteers whose abilities are not in accord with the District's needs.

Any volunteer who works with or has access to students shall be screened through the Internet sites for the Sex Offenders Registry (SOR) list, the Internet Criminal History Access Tool (ICHAT) criminal history records check and the Offender Tracking Information System (OTIS) prior to being allowed to participate in any activity or program.

The Superintendent is to inform each volunteer that s/he:

- A. shall agree to abide by all Board policies and District guidelines while on duty as a volunteer including signing, if appropriate, the District's Network and Internet Access Agreement Forms;
- B. will be covered under the District's liability policy but the District cannot provide any type of health insurance to cover illness or accident incurred while serving as a volunteer, nor is the person eligible for workers compensation;
- C. will be asked to sign a form releasing the District of any obligation should the volunteer become ill or receive an injury as a result of his/her volunteer services.

The Superintendent shall also ensure that each volunteer is properly informed of the District's appreciation for his/her time and efforts in assisting the operation of the schools.

The Superintendent may terminate the services of any volunteer whose performance is not satisfactory.

## 4121 - CRIMINAL HISTORY RECORD CHECK

Before the District hires any employee (full or part-time) or allows any individual under contract to continuously and regularly work in the schools, a criminal history records check shall be conducted in accordance with State law.

"Under contract" shall apply to individuals, as well as owners and employees of entities, who contract directly with the District or with a third party vendor, management company, or similar contracting entity to provide food, custodial, transportation, counseling or administrative services on more than an intermittent or sporadic basis. It shall also apply to individuals or entities providing instructional services to students or related auxiliary services to special education students.

Prior to allowing an individual, who is subject to the criminal history record check requirement, to work in the District, the District shall submit a fingerprint-based check on the individual, using Michigan State Police (MSP) Form RI-030 (7/2012), regardless of whether the individual will work directly for the District or be contracted through a third-party vendor, management company or similar contracting entity ("Private Contractors"). Except as provided below, the report from the MSP must be received, reviewed and approved by the District prior to the individual commencing work.

Such Private Contractors cannot receive or retain criminal history record information ("CHRI").<sup>1</sup> Where the District will contract with a Private Contractor for the services of an individual, the District will notify the Private Contractor(s), after review of the MSP report, whether the individual has been approved to work within the District. The District may not give any details, including the fact that a criminal history check was run. Notice for approval to work in the District should use the Affidavit of Assignment or similar "red light/green light" procedure.

Should it be necessary to employ a person or contract for a person to maintain continuity of the program prior to receipt of the criminal history report, the Superintendent may contract on a provisional basis until the report is received. Any such provisional hire requires that:

- A. the record check has been requested;
- B. the applicant has signed a disclosure of all convictions and acknowledges that employment may be terminated if there are discrepancies; and
- C. the hiring occurs during the school year or not more than thirty (30) days before the beginning of the school year.

Such an inquiry shall also be made for regular substitutes who may be employed by the District.

Individuals working in multiple districts may authorize the release of a prior criminal history records check with another district in lieu of an additional check for either direct employment or working regularly and consistently under contract in the schools.

Individuals who previously received a statutorily required criminal background check and who have been continuously employed by a school district, intermediate school district, public school academy or non-public school within the State, with no separation, may have their previous record check sent to the District in lieu of submitting to a new criminal background check. If this method is used, the Superintendent must confirm that the record belongs to that individual and whether there have been any additional convictions by processing the individual's name, sex and date of birth through the Internet Criminal History Access Tool (ICHAT).

"No separation," for purposes of the preceding paragraph, means a lay off or leave of absence of less than twelve (12) months with the same employer; or the employee transfers without a break in service to another school district, intermediate school district, public school academy or non-public school within the State.

All CHRI received from the State Police, or produced by the State Police and received by the District from another proper source, will be maintained pursuant to Policy 8321.

When the District receives a report that shows an individual has been convicted of a listed offense under State statutes or any felony, the Superintendent shall take steps to verify that information using public records, in accordance with the procedures provided by the State Department of Education.

Verified convictions may result in termination of employment or rejection of an application. The District will not hire or continue to employ any individual, either directly or as a contracted employee to work regularly and continuously in the schools, who has been convicted of a "listed" offense as defined in M.C.L. 28.722. The District will not hire or continue to employ any individual, either directly or as a contracted employee to work regularly and continuously in the schools, who has been convicted of any felony unless both the Superintendent and the Board provide written approval.

The District must report as directed by and to the State Department of Education the verified information regarding conviction for any listed offense or conviction for any felony and the action taken by the District with regard to such conviction. Such report shall be filed within sixty (60) days of receipt of the original report of the conviction.

The Superintendent shall establish the necessary procedures for obtaining from the Criminal Records Division of the State Police any criminal history on the applicant maintained by the State Police. In addition, the Superintendent shall request the State Police to obtain a criminal history records check from the Federal Bureau of Investigation.

An applicant must submit, at no expense to the District, a set of fingerprints, prepared by an entity approved by the Michigan State Police, as part of his/her employment application or as required by State law for continued employment.

### **Confidentiality**

All information and records obtained from such inquiries and disclosures are to be considered confidential and shall not be released or disseminated to those who have not been given access to CHRI by the Superintendent. Violation of confidentiality is considered a misdemeanor punishable by a fine up to \$10,000.

Any notification received from the Michigan Department of Education or Michigan State Police regarding District employees with criminal convictions shall be exempt from disclosure under the Freedom of Information Act (FOIA) for the first fifteen (15) days until the accuracy of the information can be verified. Thereafter, only information about felony convictions or misdemeanor convictions involving physical or sexual abuse may be disclosed in reference to a FOIA request.

CHRI may be released with the written authorization of the individual.

Records may also be released, in accordance with statute, upon the request of a school district, intermediate school district, public school academy or non-public school when the individual is an applicant for employment at such school and there has been no separation from service, as defined in this policy and by statute.

---

<sup>1</sup> Individuals who submit and receive such criminal history record checks on behalf of the District must be direct employees of the District. Notwithstanding this, Information Technology contractors and vendors may be granted access to CHRI subject to successful completion of a national fingerprint-based criminal history record check as detailed in Policy 8321.

## 4121.01 - **CRIMINAL CONVICTION REVIEW**

In an effort to maintain a safe environment for students, staff and visitors, the District will review the criminal records of those individuals who apply to or work for the District or are contracted to work on a regular and continuous basis in the schools.

Individuals convicted of crimes listed in Section 2 of the Sex Offender Registry Act, M.C.L. 28.722, shall not be allowed to work in the schools or in the District.

Individuals convicted of a felony not listed in the Sex Offender Registry Act may not continue to work in the District, unless or until they have received written approval from both the Superintendent and the Board of Education. Pending such approval employees shall be placed on administrative leave. Such leave shall be without pay, subject to Board discretion to award pay with reinstatement.

Individuals convicted of a misdemeanor related to sexual abuse, child abuse or controlled substances shall require the written approval of the Superintendent and the Board to continue employment.

All other criminal convictions shall require the written approval from the Superintendent to obtain or maintain employment in the District.

Except for felony convictions, the Superintendent shall determine whether the individual will be allowed to work pending review of the criminal convictions and a determination of whether the individual should be allowed to work in the District.

The Superintendent shall suspend consideration of any applicant and shall determine whether an employee or person contracted to work in the District will be allowed to work while felony charges are pending against the individual.

In making the determination regarding whether to hire an applicant or allow an individual to continue working with pending felony charges or after a conviction, the Superintendent and the Board will consider the following factors:

- A. the nature of the offense does relate or is related to children, sex, drugs, or violence, etc.
- B. how long ago did the incident occur
- C. were there repeated incidents
- D. nature of assignment in District (access to children, role model, etc.)
- E. whether any treatment or other rehabilitation has occurred
- F. the nature of the employee's work record since offense (likelihood of repeated misbehavior)

Neither the Board nor the Superintendent shall consider criminal charges that did not result in conviction, or pending misdemeanor charges in determining whether to hire or continue the employment of any individual.

In making recommendations to the Board on whether to allow individuals with convictions or pending felony charges to work in the District, the Superintendent shall provide written reasons supporting the recommendation.

The Board shall provide written reasons supporting its determination on whether to allow an individual with a conviction to work in the District.

The Superintendent shall be responsible for processing the necessary review of criminal convictions, and providing the Board timely notice of its need to act in accordance with this policy.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. COs shall accept reports of unlawful discrimination/retaliation directly from any member of the School District community or a Third Party, or received reports that are initially filed with another Board employee. Upon receipt of a report of alleged discrimination/retaliation, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged discrimination/retaliation), or the CO will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to the Complainant and the Respondent. In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO or designee must contact the Complainant within two (2) business days to advise of the Board's intent to investigate the alleged wrongdoing.

### **Investigation and Complaint Procedure (See Form 4122 F2)**

Except for sex discrimination and/or Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee who alleges to have been subjected to unlawful discrimination or retaliation may seek resolution of the complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of discrimination/retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights or Equal Employment Opportunity Commission ("EEOC").

### **Informal Complaint Procedure**

The goal of the informal complaint procedure is to promptly stop inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for an employee who alleges unlawful discrimination or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process and individuals who participate in the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee or any other adult member of the School District community and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe doing so, the individual should tell or otherwise inform the Respondent that the allegedly discriminatory/retaliatory conduct that it is inappropriate and must stop. The Complainant should address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel the Complainant when taking this initial step or to intervene on behalf of the individual if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful discrimination (e.g., sex discrimination), the CO may advise against the use of the informal complaint process.

A Complainant who alleges unlawful discrimination/retaliation may make an informal complaint, either orally or in writing: (1) to a building administrator; (2) directly to one of the COs; and/or (3) to the Superintendent or other District-level employee.

All informal complaints must be reported to one of the COs who will either facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution.

The School District's informal complaint procedure is designed to provide the Complainant with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the Complainant about how to communicate concerns to the Respondent.
- B. Distributing a copy of Policy 4122 – Nondiscrimination and Equal Employment Opportunity to the individuals in the school building or office where the Respondent works.
- C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint and, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

### **Formal Complaint Procedure**

If a complaint is not resolved through the informal complaint process, if one of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the Complainant, from the outset, elects to file a formal complaint, or the Compliance Officer(s) determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

A Complainant may file a formal complaint, either orally or in writing, with a principal, the CO, Superintendent, or other District official. Due to the sensitivity surrounding complaints of unlawful discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs. If a Complainant informs a principal, Superintendent, or other District official, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to the CO/designee within two (2) business days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 4122 - Nondiscrimination and Equal Employment Opportunity. The Respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the CO or a designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in unlawful harassment/retaliation of the Complainant. The CO's recommendations must be based upon the totality of the circumstances. In determining if discrimination or retaliation occurred, a preponderance of evidence standard will be used. The CO may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or the designee, the Superintendent must either issue a written decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in unlawful discrimination/retaliation toward the Complainant, the Superintendent must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, and effective, and tailored to the specific situation.

The decision of the Superintendent shall be final.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the employee alleging the unlawful discrimination/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

### **Privacy/Confidentiality**

The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity.

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that is learned or provided during the course of the investigation.

### **Sanctions and Monitoring**

The Board shall vigorously enforce its prohibitions against unlawful discrimination/retaliation by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against an employee, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

## **Retaliation**

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

## **Education and Training**

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

## **Retention of Investigatory Records and Materials**

The Compliance Officer(s) is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation, which may include but not be limited to:

Any staff member who violates this policy shall be subject to disciplinary action in accordance with District guidelines and the terms of negotiated, collective-bargained agreements.

The Board of Education does not discriminate against any employee or applicant for employment with respect to hiring, compensation, terms, conditions, or privileges of employment based on genetic information. ## 4123-SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

The Board of Education prohibits discrimination against any employee or applicant based upon his/her disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training, or other terms, conditions and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one (1) or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability, unless the accommodation would impose an undue hardship on the operation of the District's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

**Compliance Officer(s)**

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)").

Director of Student Services  
3201 Roosevelt St.  
Hamtramck, MI 48212  
(313) 892-2037  
TitleIX@hamtramckschools.org

Director of Human Resources  
3201 Roosevelt St  
Hamtramck, MI 48212  
(313) 892-3817  
TitleIX@hamtramckschools.org

The name, title, and contact information of this individual will be published annually on the School District's web site.

The District Compliance Officer(s) is responsible for coordinating the District's efforts to comply with and fulfill its responsibilities under Section 504 and Title II of the Americans with Disabilities Act, as amended ("ADA"). A copy of Section 504 and the ADA, including copies of their implementing regulations, may be obtained from the District Compliance Officer(s).

The District Compliance Officer(s) will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints. The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below.

**Training**

The District Compliance Officer(s) will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, administrative guidelines and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The Board will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

**Facilities**

No qualified person with a disability will, because the District's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities.

**Notice**

Notice of the Board's policy on nondiscrimination in employment practices and the identity of the District's Compliance Officer(s) will be published on the District's website and posted throughout the District, and included the District's recruitment statements or general information publications.

## **Complaint Procedures**

If a person believes that s/he has been discriminated against on the basis of his/her disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of Section 504. In addition, employees will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights.

Internal complaints must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint, and offer possible solutions to the dispute. The complaint must be filed with a District Compliance Officer within the time limits specified below. The District's Compliance Officer is available to assist individuals in filing a complaint.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e, a day(s) that the Board office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).

### **Internal Complaint Procedure**

The following internal complaint procedure is available to employees for the prompt and equitable resolution of complaints alleging discrimination based upon disability. This complaint procedure is not available to unsuccessful applicants. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights.

- A. An employee with a complaint based on alleged discrimination on the basis of disability may first discuss the problem with the District Compliance Officer.
- B. If the informal discussion does not resolve the matter, or if the employee skips Step A, the individual may file a formal written complaint with the District Compliance Officer. The written complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, describe the alleged discriminatory action in sufficient detail to inform the District Compliance Officer of the nature and date of the alleged violation, and propose a resolution. The complaint must be filed within thirty (30) days of the circumstances or event giving rise to the complaint, unless the time for filing is extended by the District Compliance Officer for good cause.
- C. The District Compliance Officer will conduct an independent investigation of the matter (which may or may not include a hearing). This complaint procedure contemplates informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to present witnesses and other evidence relevant to the complaint. The District Compliance Officer will provide the complainant with a written disposition of the complaint within ten (10) days. If no decision is rendered within ten (10) days, or the decision is unsatisfactory in the opinion of the complainant, the employee may file, in writing, an appeal with the Superintendent. The District Compliance Officer shall maintain the District's files and records relating to the complaint.

- D. The Superintendent will, within ten (10) days of receiving the written appeal, conduct a hearing with all parties involved in an attempt to resolve the complaint.

The Superintendent will render his/her decision with ten (10) days of the hearing.

- E. The employee may be represented, at his/her own cost, at any of the above-described meetings/hearings.
- F. The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

If it is determined that the Complainant was subjected to unlawful discrimination, the CO must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

### **OCR Complaint**

At any time, if an employee believes that s/he has been subjected to discrimination based upon his/her disability in violation of Section 504 or the ADA, the individual may file a complaint with the U.S. Department of Education's Office for Civil Rights ("OCR"). The OCR can be reached at:

### **Retaliation**

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

## 4139 - **STAFF DISCIPLINE**

Whenever it becomes necessary to discipline a member of the staff, the Board of Education directs the Superintendent to utilize the procedures set out below and any related procedures described in the current negotiated agreement, if applicable.

The Superintendent or his/her designee shall conduct an investigation of any alleged act or omission that could lead to disciplinary action, as appropriate to the situation. The investigation shall include, at a minimum, providing the employee with reasonable notice and the opportunity to respond to the complaint. If the investigation includes a meeting with the employee, prior notice of this meeting shall be provided to the employee for any discipline that may result in a suspension or loss of pay. The meeting shall not proceed without the employee's designated representative; however, the meeting shall not be unduly delayed to secure the attendance of the preferred representative. The District may substitute another representative from the union to timely process the investigation.

Discipline may include, but is not limited to:

- A. written warning;
- B. written reprimand;
- C. suspension (paid or unpaid);
- D. discharge;
- E. financial penalty in accordance with Michigan law.

The District does not have to apply discipline in a progressive manner, but, rather, may impose discipline consistent with the seriousness of the staff member's conduct, as determined by the District.

The Board strongly recommends that before a suspension or termination is invoked the Superintendent contact the school attorney.

The Board requires that all disciplinary actions involving loss of pay, suspension or termination be submitted to the Board for review as soon as possible after the action has been taken.

The Superintendent should ascertain whether or not the staff member wishes such a report to be made in a closed session of the Board, if a closed session is permitted by the Open Meetings Act.

## 4140 - TERMINATION, RESIGNATION, AND RETIREMENT

### TERMINATION

Employment contracts may be suspended or terminated upon a majority vote of the Board of Education. In such cases, the Board shall abide by due process and such terms as may be set forth in a negotiated, collective-bargained agreement.

The Board may delegate the authority to suspend or terminate support staff to the Superintendent. Any such action shall be reported to the Board at its next regularly scheduled meeting and shall be subject to the Board's authority to override such action.

Employees and those under contract to work regularly and continuously in the schools, whether part-time or full-time, may not continue employment with the Board if a criminal history records check or other authoritative source reveals a conviction of a "listed" offense under M.C.L. 28.722.

Individuals convicted of a non-listed felony may not continue to work unless both the Superintendent and the Board give written approval. Such conviction(s) may subject support staff to discharge or demotion. The State Board of Education will be notified of the report of conviction(s) as required by law.

### RESIGNATION

A support staff member may resign by filing a written resignation with the Superintendent at least thirty (30) days prior to the effective date of the resignation.

A resignation, once accepted by the Board, may not then be rescinded.

The Superintendent may act for the Board in the acceptance of a resignation.

## **4160 - PHYSICAL EXAMINATION**

The Board of Education or Superintendent reserves the right to require any employee or candidate, after a conditional offer of employment, to submit to an examination in order to determine the physical and/or mental capacity to perform assigned duties. Such examinations shall be done in accordance with the Superintendent's guidelines and/or the terms of currently-valid, negotiated, collectively-bargained agreements.

Reports of all such examinations or evaluations shall be delivered to the Superintendent, who shall protect their confidentiality. Reports will be discussed with the employee or candidate. Any and all reports of such examination will be maintained in a separate confidential personnel file in accordance with the Americans with Disabilities Act and the Genetic Information Nondiscrimination Act (GINA). In the event of a report of a condition that could influence job performance, the Superintendent shall base a nonemployment recommendation to the Board upon a conference with a physician and substantiation that the condition is directly correlated to defined job responsibilities and reasonable accommodation will not allow the employee or prospective employee to adequately fulfill those responsibilities.

The Board shall assume any uninsured fees for required examinations.

## 4161 - UNREQUESTED LEAVES OF ABSENCE

It is the policy of the Board of Education to protect students and employees from support staff members who are unable to perform essential job functions with or without accommodation.

The Board may place a support staff member on unrequested leave of absence when the staff member is unable to perform assigned duties in conformance with statute and the negotiated, collectively-bargained agreement with or without accommodation.

If the Superintendent believes the staff member is unable to perform essential job functions, the support staff member will be offered the opportunity for a meeting to discuss these issues.

If a support staff member refuses to attend the meeting, the Board may order the support staff member to submit to an appropriate examination by a physician or institution of the support staff member's choice.

If, as a result of such examination, the support staff member is found to be unable to perform assigned duties with or without accommodation, the support staff member may be placed on leave of absence for a reasonable time to heal or until the staff member is able to perform the essential job function, but only for a period not to exceed one (1) year.

Should a support staff member refuse to submit to the examination requested by the Board and the support staff member has exercised his/her rights under the provisions hereinabove set forth, such refusal shall subject the support staff member to disciplinary action.

## 4162 - CONTROLLED SUBSTANCE AND ALCOHOL POLICY FOR COMMERCIAL MOTOR VEHICLE (CMV) DRIVERS AND OTHER EMPLOYEES WHO PERFORM SAFETY-SENSITIVE FUNCTIONS

### Purpose

The Board of Education believes that the safety of students while being transported to and from school or school activities is of utmost importance and is the primary responsibility of the driver of the school vehicle. To fulfill such a responsibility, each driver, as well as others who perform safety-sensitive functions with District vehicles, (collectively "Covered Employees") must be mentally and physically alert at all times while on duty.

To that end, the Board has established this policy, which includes an alcohol and controlled substances testing program. The Board also expects all Covered Employees to comply with Board Policy 4122.01 on Drug-Free Workplace which prohibits the possession, use, sale, or distribution of alcohol and any controlled substance on school property at all times.

Further, the Board concurs with the Federal requirement that all Covered Employees should be free of any influence of alcohol or controlled substance while on duty. Therefore, participation in the alcohol and controlled substances testing program is a condition of employment for all Covered Employees.

### Definitions

For purposes of this policy and the guidelines associated with the policy, the following definitions shall apply.

- A. The term *alcohol* means the intoxicating agent in beverage alcohol, ethyl alcohol or other low molecular weight alcohols, including methyl or isopropyl alcohol.
- B. The term *illegal drug* means drugs and controlled substances, the possession or use of which is unlawful, pursuant to Federal, State, and/or local laws and regulations.
- C. The term *controlled substance* includes any illegal drug and any drug that is being used illegally, such as a prescription drug that was not legally obtained or not used for its intended purposes or in its prescribed quantity. The term does not include any legally-obtained prescription drug used for its intended purpose in its prescribed quantity unless such use would impair the individual's ability to safely perform safety-sensitive functions.
- D. The term *controlled substance abuse* includes excessive use of alcohol as well as prescribed drugs not being used for prescribed purposes, in a prescribed manner, or in the prescribed quantity.
- E. The term *safety-sensitive functions* includes all tasks associated with the operation and maintenance of District-owned and/or operated vehicles. This term further includes any period in which an individual is actually performing, ready to perform, or immediately available to perform any safety-sensitive function.

- F. The term Covered Employee means all commercial driver license (CDL) holders and regular and substitute bus drivers as well as other staff who operate, inspect, service and condition a commercial motor vehicle (CMV) while on duty, regardless of whether they are required to hold a CDL.
- G. The term *while on duty* means all time from the time the Covered Employee begins to work or is required to be in readiness for work until the time s/he is relieved from work and all responsibility for performing work.

## Procedures

The Superintendent shall establish a drug and alcohol testing program whereby each Covered Employee is tested for the presence of alcohol in his/ her system as well as for the presence of the following controlled substances:

- A. Marijuana
- B. Cocaine
- C. Opioid
- D. Amphetamines
- E. Phencyclidine (PCP)

The alcohol and controlled substances tests are to be conducted in accordance with Federal and State regulations a.) prior to employment (**Controlled Substances Only**), b.) reasonable suspicion, c.) upon return to duty after any alcohol or drug rehabilitation, d.) post-accident 1) resulting in human death, 2) where the driver is issued a citation and the accident results in an injury that requires immediate medical attention away from the scene, or 3) where there is disability damage to any motor vehicle that requires towing; e.) on a random basis, and f.) on a follow-up basis.

Candidates shall also be tested for the presence of alcohol in their system prior to employment.

The Superintendent shall require that the District query the FMCSA's Drug and Alcohol Clearinghouse for current and prospective CDL drivers' drug and alcohol violations before allowing a driver to operate a District-owned and/or operated vehicle, consistent with Federal regulations, including consent requirements.

Any staff member who tests positive as defined in the guidelines shall be immediately prohibited from driving any District-owned and/or operated vehicle or conducting a safety-sensitive function and subject to discipline, up to and including discharge, in accordance with District guidelines and the terms of any applicable collective bargaining agreements.

No staff member who has tested positive for alcohol or a controlled substance may be returned to a safety-sensitive position without having been evaluated by a qualified substance abuse professional (SAP), completing any required treatment program, and passing a retest. Return to a safety-sensitive position is solely at the District's discretion and the employee may be required to participate in ongoing services if recommended by the SAP. Any staff member who has tested positive for alcohol or a controlled substance will be provided with a list of SAPs available and acceptable to the District.

Furthermore, if during any test the lab determines that an adulterant has been added to the specimen, then the test will be considered positive and the employee shall be prohibited from performing any safety-sensitive functions and be referred to the District's Employee Assistance Program.

Any staff member who refuses to submit to a test shall immediately be prohibited from performing or continuing to perform his/her safety-sensitive functions (e.g., driving any Board-owned vehicle).

Prior to the beginning of the testing program, the District shall provide a drug-free awareness program which will inform Covered Employees and their supervisors, about:

- A. the dangers of illegal drug use and controlled substance and alcohol abuse;
- B. indicators of probable alcohol misuse and controlled substance abuse;
- C. Board Policy 4122.01 - Drug-Free Workplace, Policy 4161 - Unrequested Leaves of Absence/Fitness for Duty, Policy 4170 - Substance Abuse, and Policy 4170.01 - Employee Assistance Program;
- D. the sanctions that may be imposed for violations of Policy 4122.01.

All time spent undergoing an alcohol or controlled substance test, including travel time, will be paid at the staff member's regular rate of pay, or at his/her overtime rate, if applicable. Any staff member who is not allowed to return to work while awaiting test results will be compensated during the waiting period for all work time lost, including overtime, if applicable. The Board shall pay all costs associated with the administration of alcohol and controlled substance tests. This includes testing of the "split specimen" at a Federally certified laboratory if so requested by a staff member. Requests for a "split specimen" must be made within seventy-two (72) hours of receipt of the notification of a positive drug test. The Board will not pay for the employee's time while not on duty, if the split specimen test results are positive.

Alcohol and drug test results shall be protected as confidential medical records as appropriate under Federal law (i.e. test results shall be provided on a right to know basis - the employee, the employer, and the substance abuse professional - and the results shall not be presented until analyzed by a Medical Review Officer).

A tested individual, upon written request, will be promptly provided copies of any records relating to his/her use of drugs and alcohol, including any records pertaining to his/her drug and alcohol tests. A tested individual must provide specific written consent before his/her test result can be provided to any other person except as required by law.

All tests shall be conducted in accordance with Federal testing guidelines and be performed by a laboratory that is Federally certified.

The alcohol and drug testing program shall be under the direction of the Superintendent.

The Superintendent shall arrange for periodic retraining of supervisors and staff members as necessary. The Superintendent shall provide a copy of this policy and testing guidelines to all Covered Employees and will include available resources to assist employees with problems related to the use of alcohol and controlled substances.

The Superintendent shall submit, for Board approval, a contract with a certified laboratory to provide the following services:

- A. testing of all first and second test urine samples
- B. clear and consistent communication with the District's Medical Review Officer (MRO)
- C. methodology and procedures for conducting random tests for controlled substances and alcohol
- D. preparation and submission of all required reports to the District, the MRO, and to Federal and State governments

The Superintendent shall also select the agency or persons who will conduct the alcohol breathalyzer tests, the District's MRO, and the drug collection site(s) in accordance with the requirements of the law.

### **Notification**

A tested candidate shall be notified of the results of a pre-employment controlled substances test conducted under this part, if the driver requests such results within sixty (60) calendar days of being notified of the disposition of the employment application.

A tested individual shall be notified of the results of random, reasonable suspicion and post-accident tests for controlled substances conducted under this policy if the test results are verified positive. The tested individual shall also be informed which controlled substance or substances were verified as positive.

The Superintendent shall make reasonable efforts to contact and request each driver who submitted a specimen under the employer's program, regardless of the driver's employment status, to contact and discuss the results of the controlled substances test with a medical review officer who has been unable to contact the driver.

The Superintendent shall immediately notify the medical review officer that the driver has been notified to contact the medical review officer within seventy-two (72) hours.

Individuals holding a CDL license must notify all current employers of any DOT violations (such as testing positive for the presence of alcohol or a controlled substance in violation of this policy). The notification must be made 1) by the end of the business day following the day the individual first receives notice of the violation or 2) prior to performing any safety-sensitive function, whichever comes first. Individuals are not required to notify the employer that administered the test or that documented the circumstances giving rise to the violation.

In the event that an individual is selected for testing, the Superintendent will inform the individual that the test is required by applicable law.

## **Reporting Test Results**

The Superintendent shall report all information required by Federal regulations to the Clearinghouse in a timely manner. The Superintendent shall prepare and maintain a summary of the results of its alcohol and controlled substances testing programs performed under this policy during the previous calendar year, when requested by the Secretary of Transportation, any DOT agency, or any State or local officials with regulatory authority over the employer or any of its drivers. Such summaries shall be submitted in a manner and timeline as required by law.

## **Educational Materials Related to Certain Federal Regulations, Board Policies, and Procedures**

CDL License Holders and other employees who perform safety-sensitive functions will be provided educational materials at the time of hire or at any time when required to operate a school vehicle. The educational materials shall explain the requirements of applicable Federal regulations and the Board's policies and District's procedures with respect to meeting these Federal regulations. The Board designates the Personnel Secretary as the individual responsible for providing educational materials to CDL License Holders and other employees who perform safety-sensitive functions. The educational materials will include, at a minimum, the following:

- A. the contact information for the Personnel Secretary, who is the individual designated by the Board to answer questions about the educational materials
- B. a statement that all CDL License Holders and other employees who perform safety-sensitive functions are subject to Federal law addressing the misuse of alcohol and other controlled substances
- C. information sufficient to make clear to employees the period of the work day during which they are required to comply with the regulations
- D. information concerning prohibited conduct
- E. the circumstances under which employees are subject to testing for alcohol and/or controlled substances
- F. the procedures for testing for the presence of alcohol and controlled substances in order to protect the employee and the integrity of the testing process, to safeguard the validity of the test results, and to confirm the results are attributed to the correct employee, including post-accident information, procedures, and instructions required under Federal regulations
- G. the requirement that staff members must submit to alcohol and controlled substance testing as required by the regulations
- H. an explanation of what constitutes a refusal to be tested or alcohol or controlled substances and the attendant consequences
- I. the consequences of testing positive, including the requirements of immediate removal from safety-sensitive functions, and the procedures regarding referral, evaluation, and treatment
- J. the consequences for employees found to have an alcohol concentration of 0.02 or greater but less than 0.04

- K. information concerning the effects of alcohol and controlled substances use on an individual's health, work, and personal life; signs and symptoms of an alcohol and/or controlled substances problem (the employee's or a co-worker's); and available methods of intervening when a controlled substances and/or alcohol problem is suspected (including confrontation and how to refer someone to an Employee Assistance Program or to management), and
- L. information regarding the requirement that certain personal information collected and maintained under Federal law be reported to the Commercial Driver's License Drug and Alcohol Clearinghouse
- M. information indicating that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance, including alcohol, is prohibited on all school board property and at school-sponsored activities. Individuals are strictly prohibited from reporting to work or being on duty while under the influence of alcohol or a controlled substance.

These materials are to be distributed to each staff member upon being hired or transferred into a covered position thereafter. Each staff member must sign a statement certifying receipt of these materials. A staff member who refuses to sign the requisite statement shall be prohibited from performing any safety sensitive functions. Each employee (and labor organization representing Board employees) shall receive written notice of the availability of this information, and the identity of the Board's designated representative in charge of answering employee questions about the materials.

### **Return-to-Duty (Safety-Sensitive Positions)**

Employees who are removed from performing safety-sensitive functions as a result of this policy must take and pass return-to-duty test before returning to performing safety-sensitive functions. The return-to-duty test will not occur until after a Substance Abuse Professional (SAP) has determined that the employee has successfully complied with prescribed education and/or treatment. The employee must have a negative drug test result and/or an alcohol test with an alcohol concentration of less than 0.02 before resuming performance of safety-sensitive duties. The employee will not be permitted to perform safety-sensitive functions until the start of the employee's next regularly scheduled duty period, but not less than twenty-four (24) hours following administration of the return-to-duty test.

Employees must also comply with the SAP's written follow-up testing plan, which will be administered by the District, or they will not be permitted to perform safety-sensitive duties.

Subject to any collective bargaining agreement or other legal requirements, employees who are eligible to return to performing safety-sensitive functions may not do so without the approval of the Superintendent.

## 4170 - **SUBSTANCE ABUSE**

The Board of Education recognizes alcoholism and drug abuse as treatable illnesses. When such illnesses impair the performance of support staff, the Board recognizes a responsibility to assist in a manner recommended by an appropriate specialist in the treatment of those illnesses.

A support staff member having an illness or other problem relating to the use of alcohol or other drugs will receive the same careful consideration and offer of assistance that is presently extended to support staff having any other illness.

The responsibility to correct unsatisfactory job performance or behavior resulting from a suspected health problem rests with the support staff member. Failure to do so will result in appropriate corrective or disciplinary action as determined by the Board.

If a support staff member voluntarily requests counseling or assistance before the Board or administration learns of the support staff member's substance abuse problem (through a positive test result or otherwise), the support staff member's job security or promotion opportunities will not be jeopardized by his/her request for counseling or referral assistance. A support staff member may not avoid the consequences of a positive test by requesting counseling or assistance for a substance abuse problem after being instructed to submit to a drug test.

Support staff members who suspect they may have an alcohol or other drug abuse problem are encouraged to seek counseling and information on a confidential basis by contacting resources available for such service.

## 4170.01 - **EMPLOYEE ASSISTANCE PROGRAM (EAP)**

The Board of Education believes that early recognition and treatment of illegal drug use, controlled substance abuse, or alcohol abuse is important for successful rehabilitation, return to productive work, and reduced personal, family, and social disruption.

The District encourages the earliest possible diagnosis and treatment for illegal drug use or controlled substance abuse and supports sound treatment efforts. Whenever feasible, the District will assist staff members in overcoming illegal drug use or controlled substance abuse. However, the decision to seek diagnosis and accept treatment for illegal drug use or controlled substance abuse is primarily the individual staff member's responsibility. Any costs associated with treatment in excess of those costs covered by the staff member's medical insurance plan shall be borne by the individual.

Staff members with personal drug or controlled substance abuse problems should request assistance from the Superintendent's Office. Assistance will be provided on a confidential basis, and each staff member will be referred to the appropriate treatment and counseling services.

Although the District will assist a staff member to the extent feasible through the Employee Assistance Program, the Board cannot guarantee that the staff member's use of illegal drugs or abuse of alcohol or controlled substances will not impact adversely the staff member's employment status through disciplinary procedures.

An effective educational program requires the services of men and women of integrity, high ideals, and human understanding. To maintain and promote these essentials, all employees of the district are expected to maintain high standards in their school relationship. These standards include the following:

- A. Maintenance of just and courteous professional relationships with pupils, parents, staff members, and others.
- B. Maintenance of their own efficiency and knowledge of the developments in their fields of work.
- C. Transaction of all official business with the properly designated authorities of the school system.
- D. Placement of the welfare of children as the first concern of the school system;

- F. Restraint from using school contacts and privileges to promote partisan politics, sectarian religious views, or selfish propaganda of any kind.
- G. Directing any criticism of other staff members or of any department of the school system toward the improvement of the school system. Such constructive criticism is to be made directly to the particular school administrator who has the administrative responsibility for improving the situation and then to the Superintendent if necessary.

## **4211 - WHISTLEBLOWER PROTECTION**

The Board of Education expects all its employees to be honest and ethical in their conduct, and to comply with applicable State and Federal law, Board policies and administrative guidelines. The Board encourages and requires staff to report possible violations of these Board expectations. Parents, volunteers, contractors and concerned citizens are encouraged to report possible violations, when done in good faith belief.

It is the responsibility of an employee who is aware of conduct on the part of any Board member or employee that possibly violates Federal or State law, or Board policy, to call this conduct to the attention of his/her immediate supervisor. If the employee's immediate supervisor is not responsive or is the employee whose behavior is in question, the employee may report to the Superintendent. If the reported conduct relates to the Superintendent, the report may be filed directly with the Board President.

After such a report is made, the employee will be asked to put the report in writing. Any employee making such a report shall be protected from discipline, retaliation, or reprisal for making such report as long as the employee had a good faith belief as to the accuracy of any information reported. Employees are subject to disciplinary action, up to and including termination, for knowingly making a false report under this policy. Employees may also be subject to disciplinary action, up to and including termination, if they are aware of a violation of Federal, State, or local law involving or relating to the business of the District and they do not make a report confirmed in writing to a supervisor in accordance with this policy.

The Superintendent shall develop administrative guidelines necessary for implementation of this policy including the development of forms upon which such reports may be made.

## 4213 - STUDENT WELL-BEING

Support staff members may be confronted with situations which, if handled incorrectly, could result in liability to the District and personal liability to the staff member.

It is the responsibility of the Superintendent to prepare administrative guidelines to ensure the maintenance of the following standards:

- A. Each support staff member shall report immediately to the principal any accident or safety hazard s/he detects.
- B. A support staff member shall not send students on any personal errands.
- C. A support staff member shall not associate with students, particularly those of the opposite gender, at any time in a manner which gives the appearance of impropriety, including, but not limited to, the creation or participation in any situation or activity which could be considered abusive or sexually suggestive or involve illegal substances such as tobacco, alcohol, or drugs.

This provision should not be construed as precluding a support staff member from associating with students in private for legitimate or proper reasons.

- D. A support staff member shall not transport students in a private vehicle without the approval of the principal.
- E. A student shall not be required to perform work or services that may be detrimental to his/her health.

## 4214 - **STAFF GIFTS**

The Board of Education considers the presentation of gifts to support staff members by students and their parents an undesirable practice because it tends to embarrass students with limited means and gives the appearance of currying favor.

However, based on the foregoing premise, it is the policy of the Board that support staff members may accept gifts of nominal value from students or parents.

The Superintendent may approve acts of generosity to individual staff members in unusual situations.

Upon the recommendation of the Superintendent, the Board shall consider, as appropriate, the presentation of token gifts to retiring members of the staff who have rendered service for a period of time.

## **4215 - USE OF TOBACCO BY SUPPORT STAFF**

The Board of Education recognizes that the use of tobacco presents a health hazard which can have serious consequences both for the user and the nonuser and is, therefore, of concern to the Board.

For purposes of this policy, use of tobacco shall mean all uses of tobacco, including a cigar, pipe, cigarette, snuff, or any other matter or substances that contain tobacco.

In order to protect students and staff who choose not to use tobacco from an environment noxious to them, and because the Board cannot, even by indirection, condone the use of tobacco, the Board prohibits the use of tobacco by support staff in District buildings, on District buses and/or at any District-related event.

The Board has adopted a tobacco-free school policy prohibiting all tobacco use in all school situations, twenty-four (24) hours per day, seven (7) days per week, 365 days per year.

## 4216 - SUPPORT STAFF DRESS AND GROOMING

The Board of Education believes that support staff members are an important and integral part of the District. Also, since the support staff is highly-visible staff to the students, the professional staff, and the public, the Board believes the support staff should at all times be well dressed and groomed. A support staff member who understands this precept and adheres to it enlarges the importance of their task, presents an image of dignity and encourages respect.

The Board retains the authority to specify the following dress and grooming guidelines for support staff. When assigned to District duty, all support staff members shall:

- A. be physically clean, neat, and well groomed;
- B. dress in a manner consistent with their support responsibilities;
- C. dress in a manner that communicates to others a pride in personal appearance;
- D. dress in a manner that does not cause damage to District property.

The Board recognizes employees' right to dress in accordance with their gender identity, within the constraints of the preceding dress and grooming guidelines.

The Superintendent shall develop administrative guidelines to implement this policy.

## 4217 - WEAPONS

The Board of Education prohibits support staff members from possessing, storing, making, or using a weapon in any setting that is under the control and supervision of the District for the purpose of school activities approved and authorized by the District including, but not limited to, property leased, owned, or contracted for by the District, a school-sponsored event, or in a District vehicle.

The term "weapon" means any object which, in the manner in which it is used, is intended to be used, or is represented, is capable of inflicting serious bodily harm or property damage, as well as endangering the health and safety of persons. Weapons include, but are not limited to, firearms, guns of any type, including air and gas-powered guns (whether loaded or unloaded), knives, razors, clubs, electric weapons, metallic knuckles, martial arts weapon, ammunition, and explosives.

The Superintendent shall refer a staff member who violates this policy to law enforcement officials. The staff member will also be subject to disciplinary action, up to and including termination, as permitted by applicable Board policy and the terms of existing collective bargaining agreements.

Exceptions to this policy include starter pistols used in appropriate sporting events.

Staff members shall report knowledge of dangerous weapons and/or threats of violence by students, staff members, or visitors to the immediate supervisor. Failure to report such information may subject the staff member to disciplinary action, up to and including termination.

## 4220 - EVALUATION OF SUPPORT STAFF

The Board of Education recognizes the importance of implementing a program of support staff member evaluations for the purpose of promoting individual job performance and improving services within the Hamtramck School District.

The goals of the Board's evaluation plan for support staff are:

- A. to improve and reinforce the skills, attitudes, and abilities which enable a support staff member to be effective in achieving assigned job goals.
- B. to identify and remediate weaknesses which prevent a support staff member from achieving the goals of assigned duties.

The Superintendent shall prepare administrative guidelines for the conduct of support staff member evaluations.

## 4231 - **OUTSIDE ACTIVITIES OF SUPPORT STAFF**

It is the policy of the Board of Education that support staff members avoid situations in which their personal interests, activities, and associations may conflict with the interests of the District. If such situations occur, the Superintendent shall evaluate the impact of such activity or association upon the support staff member's responsibilities and take appropriate action as necessary.

- A. Employees should not give work time to an outside interest, activity, or association without valid reason to be excused from assigned duties.
- B. Employees shall not use school property or school time to solicit or accept customers for private enterprises without written administrative permission.
- C. Employees shall not engage in business transactions on behalf of personal or private enterprise in which s/he may profit by virtue of his/her official position or authority or benefit financially from confidential information which the employee has obtained or may obtain by reason of his/her position or authority.

## **4310 - FREEDOM OF SPEECH IN NONINSTRUCTIONAL SETTINGS**

The Board of Education acknowledges the right of its support staff members, as citizens in a democratic society, to speak out on issues of public concern. When those issues are related to the District, however, the support staff member's expression must be balanced against the interests of this District.

The following guidelines are adopted by the Board to help clarify and, therefore, avoid situations in which the support staff member's expression could conflict with the District's interests. In such situations, s/he should:

- A. state clearly that his/her expression represents personal views and not necessarily those of the School District;
- B. refrain from expressions that would disrupt harmony among co—workers or interfere with the maintenance of discipline by school officials;
- C. not make threats or abusive or personally defamatory comments about co-workers, administrators, or officials of the District;
- D. refrain from making public expressions which s/he knows to be false or are made without regard for truth or accuracy.

## 4362 - **ANTI-HARASSMENT**

### **General Policy Statement**

It is the policy of the Board of Education to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age (except as authorized by law), religion, height, weight, marital or family status, military status, ancestry, or genetic information (collectively, "Protected Classes") that are protected by Federal civil rights laws (hereinafter referred to as unlawful harassment), and encourages those within the School District community as well as Third Parties, who feel aggrieved to seek assistance to rectify such problems. The Board will investigate all allegations of harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

The District will offer counseling services to any person found to have been subjected to unlawful harassment, and, where appropriate, the person(s) who committed the unlawful harassment.

### **Other Violations of the Anti-Harassment Policy**

The Board will also take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation.
- B. Filing a malicious or knowingly false report or complaint of unlawful harassment.
- C. Disregarding, failing to investigate adequately, or delaying investigation of allegations of harassment, when responsibility for reporting and/or investigating unlawful harassment charges comprises part of one's supervisory duties.

## Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

**Complainant** is the individual who alleges, or is alleged, to have been subjected to unlawful harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment.

**Respondent** is the individual who has been alleged to have engaged in unlawful harassment, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged harassment.

**School District community** means students and Board employees (i.e., administrators, and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

**Third Parties** include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

**Day(s):** Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

## Bullying

Bullying rises to the level of unlawful harassment when one or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students or employees and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational or work environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school or work performance or participation; and may involve:

- A. teasing;
- B. threats;
- C. intimidation;
- D. stalking;
- E. cyberstalking;
- F. cyberbullying;
- G. physical violence;

- H. theft;
- I. sexual, religious, or racial harassment;
- J. public humiliation; or
- K. destruction of property.

**"Harassment"** means any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal or physical conduct directed against a student or school employee that:

- A. places a student or school employee in reasonable fear of harm to his/her person or damage to his/her property;
- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits, or an employee's work performance; or
- C. has the effect of substantially disrupting the orderly operation of a school.

### **Sexual Harassment**

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, "sexual harassment" is defined as:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when:

- A. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment, or status in a class, educational program, or activity.
- B. Submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual.
- C. Such conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working, and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy 2266 - Nondiscrimination on the Basis of Sex Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. Unwelcome sexual propositions, invitations, solicitations, and flirtations.
- B. Unwanted physical and/or sexual contact.

- C. Threats or insinuations that a person's employment, wages, academic grade, promotion, classroom work or assignments, academic status, participation in athletics or extra-curricular programs, activities, or events, or other conditions of employment or education may be adversely affected by not submitting to sexual advances.
- D. Unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls.
- E. Sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings or literature, placed in the work or educational environment, that may reasonably embarrass or offend individuals.
- F. Unwelcome and inappropriate touching, patting, or pinching; obscene gestures.
- G. Asking about, or telling about, sexual fantasies, sexual preferences, or sexual activities.
- H. Speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history.
- I. Giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship.
- J. Leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin.
- K. A pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another.
- L. In the context of employees, consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
- M. Inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life.
- N. Verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects, limits, or denies an individual's employment or education, or such that it creates a hostile or abusive employment or educational environment.

### **Race/Color Harassment**

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working, and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

## **Religious (Creed) Harassment**

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

## **National Origin/Ancestry Harassment**

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

## **Disability Harassment**

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's disability, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

## **Anti-Harassment Compliance Officers**

The following individual(s) shall serve as the District's Anti-Harassment Compliance Officer(s) (hereinafter, "the Compliance Officer(s)"):

Director of Student Services  
3201 Roosevelt St.  
Hamtramck, MI 48212  
(313) 892-2037  
TitleIX@hamtramckschools.org

Director of Human Resources  
3201 Roosevelt St  
Hamtramck, MI 48212  
(313) 892-3817  
TitleIX@hamtramckschools.org

The names, titles, and contact information of these individuals will be published annually:

The Compliance Officer(s) are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The Compliance Officers shall accept reports of unlawful harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District-level official. Upon receipt of a report of alleged harassment, the Compliance Officer(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment), or the Compliance Officer(s) will designate a specific individual to conduct such a process. The Compliance Officer(s) will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to the Compliance Officer within two (2) days of learning of the incident.

Any Board employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to the Compliance Officer(s) within two (2) days. Additionally, any Board employee who observes an act of unlawful harassment is expected to intervene to stop the harassment, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the Compliance Officer(s) or designee must contact the Complainant, if age eighteen (18) or older, or Complainant's parents/guardians if the Complainant is under the age of eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

### **Reports and Complaints of Harassing Conduct**

Members of the School District community along with Third Parties are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor or other School District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with the Compliance Officer within two (2) days of receiving the report of harassment.

Members of the School District community and Third Parties who believe they have been unlawfully harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior and/or harassment in accordance with Policy 5517.01 – Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may have created a hostile work environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal will report the act of bullying, aggressive behavior and/or harassment to the Compliance Officer(s) who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will be handled in accordance with the grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or the matter is being addressed pursuant to Policy 2266, the Principal shall suspend the Policy 5517.01 investigation to await the Compliance Officer's written report or the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 4362 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

### **Investigation and Complaint Procedure (See Form 4362 F1)**

Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee or other member of the School District community or Third Party (e.g., visitor to the District) who believes that they have been subjected to unlawful harassment may seek resolution of the complaint through the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education Office for Civil Rights and/or Equal Employment Opportunity Commission ("EEOC").

### **Informal Complaint Procedure**

The goal of the informal complaint procedure is promptly to stop inappropriate behavior and to facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student, other member of the School District community, or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complainants involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the alleged harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officers are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the alleged inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A complainant may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one of the Compliance Officers; and/or 3) to the Superintendent or other District-level employee.

All informal complaints must be reported to one of the Compliance Officers who will either facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution.

The Board's informal complaint procedure is designed to provide employees, other members of the School District community, or third parties who believe they are being unlawfully harassed with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the Respondent.
- B. Distributing a copy of this policy as a reminder to the individuals in the school building or office where the Respondent works or attends.
- C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officer/designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

### **Formal Complaint Procedure**

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, the Compliance Officer, Superintendent, or other District official. Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, Principal, Superintendent, or other District official, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to the Compliance Officer/designee within two (2) business days.

Throughout the course of the process, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the Compliance Officer should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the Compliance Officer/designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/harassment/retaliation. The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including the Board's Anti-Harassment policy. The Respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the Compliance Officer/designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment/retaliation of the Complainant. The Compliance Officer's recommendations must be based upon the totality of the circumstances. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. The Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/designee, the Superintendent must either issue a final decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's written decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.

The decision of the Superintendent shall be final.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representative within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each party within ten (10) business days of this meeting. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the School District community or Third Party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

### **Privacy/Confidentiality**

The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity.

During the course of a formal investigation, the Compliance Officer/designee will instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.

## **Sanctions and Monitoring**

The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.

## **Retaliation**

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil right law, or because that individual made a report, formal complaint testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or the policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

## **Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct**

State law requires any school teacher or school employee who knows or suspects that a child under the age of eighteen (18) or that a person with a disability receiving services as a student from the school regardless of age has suffered or faces a threat of suffering a physical or mental wound, disability or condition of a nature that reasonably indicates abuse or neglect of a child to immediately report that knowledge or suspicion to the county children's services agency. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report of such knowledge must be made in accordance with State law and Board Policy.

Any reports made to a county children's services agency or to local law enforcement shall not terminate the Compliance Officer or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.

## **Education and Training**

In support of this Anti-Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and harassment in general, will be age and content appropriate.

## **Retention of Investigatory Records and Materials**

The Compliance Officer(s) is responsible for overseeing retention of all records that must be maintained pursuant to this policy. ## 4419.02 - **PRIVACY PROTECTIONS OF FULLY INSURED GROUP HEALTH PLANS**

The Board of Education provides coverage to eligible employees under fully insured group health plans. The Board has established the following fully insured group health plans:

- A. Medical Plan
- B. Prescription Drug Plan
- C. Dental Plan
- D. Vision Plan

The Board acknowledges that these group health plans are required to comply with the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule as amended by Title I of the Genetic Information Nondiscrimination Act (GINA). Fully insured group health plans generally are exempt from many of the requirements imposed upon self-funded group health plans.

The Board also acknowledges that these fully insured group health plans are required to comply with the HIPAA Security Rule. The group health plans, working together with the insurer, will ensure the confidentiality, integrity, and availability of the group health plans' electronic Protected Health Information in accordance with the HIPAA Security Rule.

The Board hereby appoints the Benefits Coordinator to serve as the Security Official of the group health plans. All of the group health plans' functions are carried out by the insurer and the insurer owns and controls all of the equipment and media used to create, maintain, receive, and transmit electronic Protected Health Information relating to the group health plans. Accordingly, the insurer is in the best position to implement the technical, physical, and administrative safeguards required by the HIPAA Security Rule.

The Security Official does not have the ability to assess or adjust the insurer's policies related to the HIPAA Security Rule. Accordingly, unless otherwise determined by the Security Official, the group health plans shall utilize as administrative guidelines the insurer's own policies addressing security measures for the group health plans' electronic Protected Health Information.

The Department of Health and Human Services (HHS) has the authority to impose civil monetary penalties upon Covered Entities. HHS has not historically imposed these penalties directly upon individuals. Notwithstanding the foregoing, the Board agrees to indemnify and hold harmless the Privacy Official and Security Official in connection with the performance of their delegated duties for the group health plans, except to the extent that any liability is imposed as the result of intentional misconduct or gross negligence by the Privacy Official or Security Official as defined by law.

The fully insured group health plans established by the Board shall:

- A. Refrain from taking any retaliatory action against any individual for exercising any right under the plan, filing a complaint with Health and Human Services, participating in any proceeding under Part C of Title XI of the Social Security Act, or opposing any act or practice made unlawful by the Privacy Rule provided that the individual has a good faith belief that the practice opposed is unlawful.
- B. Not impose a requirement that participants waive their rights under the Privacy Rule as a condition of the provision of payment, enrollment in a health plan, or eligibility of benefits.
- C. If the plan document is amended in accordance with the Privacy Rule, the plan must retain a copy of the plan document as amended for six (6) years from the date of its amendment or the date when it last was in effect, whichever is later.
- D. Provide notification to affected individuals, the Secretary of the U.S. Department of Health and Human Services, and the media (when required), if the plan or one of its business associates discovers a breach of unsecured protected health information, in accordance with the requirements of HIPAA and its implementing regulations.

Fully insured group health plans established by the Board shall not create or receive protected health information, except for:

- A. Summary health information. Summary health information is de-identified information that summarizes claims history, claims expenses, or type of claims experienced by health plan participants.
- B. Information on whether an individual is participating in a group health plan, or is enrolled in or has disenrolled from a health insurance issuer or HMO offered by the plan.
- C. Information disclosed to the plan under a signed authorization that meets the requirements of the Privacy Rule.

## 4430 - LEAVES OF ABSENCE

All support staff members not otherwise covered by the terms of a negotiated, collectively-bargained agreement of this District shall be entitled to the leave benefits which are not less than those provided in the master agreement with the AFSCME Local 257.

All requests for unpaid leaves of absence by support staff members shall be presented to the Board of Education for approval.

Any support member granted a leave of absence by the Board shall be considered to have terminated all work with the School District until the completion of the leave. Exceptions may be made by the Superintendent in cases where the best interest of the District might be served.

### **Paid Medical Leave (PML)**

This policy provision applies to all District employees who are eligible to accrue paid medical leave under the Paid Medical Leave Act (PMLA). "Paid Leave" includes, but is not limited to, paid vacation days, paid personal days, and paid time off (i.e. PTO).

The District adopts:

### **The Accrual Method**

Each eligible employee will accrue one (1) hour of Paid Medical Leave for every thirty-five (35) hours worked, but not more than one hour of paid medical leave in a calendar week limited to a maximum of forty (40) hours per benefit year. Eligible employees may carry over forty (40) hours of accrued but unused paid medical leave time to the next benefit year. The District will prorate paid leave for eligible employees hired during a benefit year.

An employee may use Paid Medical Leave under the PMLA for:

- A. An employee or employee's family member's mental or physical illness, injury, health condition and medical diagnosis, care, or treatment, preventative medical care.
- B. If the employee or the eligible employee's family member is a victim of domestic violence or sexual assault:
  - 1. for medical, psychological or other counseling for physical or psychological injury or disability;
  - 2. to obtain services from a victim services organization;

- 3. to relocate due to domestic violence or sexual assault;
  - 4. to obtain legal services; and/or
  - 5. to participate in any civil or criminal proceedings related to or resulting from the domestic violence or sexual assault.
- C. Closure of the employee's primary workplace due to a public health emergency or to provide care for a child whose school or place of care has been closed due to a public health emergency.
  - D. If health authorities or a health care provider have determined that the employee or employee's family member would jeopardize the health of others because of their exposure to a communicable disease regardless of whether employee or family member has actually contracted the communicable disease.

### **Definitions**

A "family member" includes:

- A. a biological, adopted or foster child, stepchild or legal ward, or a child to whom the employee stands in loco parentis;
- B. a biological parent, foster parent, stepparent, or adoptive parent or a legal guardian of an employee or the employee's spouse, or an individual who stood in loco parentis when the employee was a minor child;
- C. an individual to whom the employee is "legally married under the laws of any state";
- D. a grandparent or grandchild; and
- E. a biological, foster, or adopted sibling.

PMLA leave must be used in one (1) hour increments.

An eligible employee who is using Paid Medical Leave because of domestic violence or sexual assault may be required to provide documentation that the Paid Medical Leave has been used for that purpose.

Employees must follow the District's usual practice or procedure for requesting, although the District will give employees three (3) days to acquire the proper documentation if the time off is used for paid medical leave, for the reasons set forth above.

Employees will be paid at a rate equal to the greater of either the normal hourly or base wage rate for that employee or the minimum wage rate, at the time of absence. PMLA pay will not include overtime pay, holiday pay, bonuses, commissions, supplemental pay, piece-rate pay, or gratuities.

Employee will not be paid for unused, accrued PMLA leave time at the end of the benefit year or upon separation, voluntary or involuntary.

To the extent that any current collective bargaining agreements already provide all of the requirements of the PMLA, those are sufficient to address the District's obligations to that set of employees and will control the employees covered under the collective bargaining agreement instead of this policy.

A-2. A "qualifying exigency" arising out of a covered family member's (spouse, son, daughter, or parent) covered active duty or call to covered active duty in the United States Armed Forces including the National Guard and Reserves. Qualifying exigencies, as defined by Federal regulations, include: 1) short-notice deployment; 2) military events and related activities; 3) childcare and school activities; 4) financial and legal arrangements; 5) counseling; 6) rest and recuperation; 7) post-deployment activities; and 8) additional activities not encompassed in the other categories, but agreed to by the employer and employee. (See AG 4430.01C). Covered active duty means deployment with the Armed Forces to a foreign country.

B-2. To care for a covered family member, including next of kin as provided in the statute, who has incurred an injury or illness or aggravation of a pre-existing illness or injury while in the line of duty while on covered active duty in the United States Armed Forces, including the National Guard and Reserves, provided that such injury or illness may render the family member medically unfit to perform duties of the member's office, grade, rank, or rating. Covered active duty means deployment with the Armed Forces to a foreign country. This leave is also available to care for veterans of the United States Armed Forces, including the National Guard and Reserves, provided the veteran was a service member at any time within the five (5) years prior to the start of the treatment, recuperation or therapy.

## **Duration of Service Member FMLA**

- A. When leave is due to a "Qualifying Exigency": An eligible employee may take up to twelve (12) work weeks of leave during any twelve (12) month period. Such leave shall be counted with regular FMLA leave time in calculating the twelve (12) weeks of allowable leave.
- B. When leave is to care for an injured or ill service member: An eligible employee may take up to twenty-six (26) work weeks of leave during a single twelve (12) month period to care for the service member who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness. This is a one time benefit per service member. Leave to care for an injured or ill service member, when combined with other FMLA-qualifying leave, may not exceed twenty-six (26) weeks in a single twelve (12) month period.
- C. Service Member FMLA runs concurrent with other leave entitlements provided under Federal, State, and local law.

## **General FMLA Provisions**

Staff members are "eligible" if they have worked for the Board for at least twelve (12) months, **and** for at least 1,250 hours over the twelve (12) months prior to the leave request. Service time may be aggregated when the break in service is less than seven (7) years for military obligation or subject to recall under a collective bargaining agreement.

Twelve (12) month period for determining hours worked and use of leave is defined as a fixed twelve (12) month period (i.e. the "leave year" is identical for all staff members -- e.g., a fiscal year or calendar year).

For Service Member FMLA leave, the use of the twenty-six (26) weeks of leave will be measured forward from the first date on which the employee takes leave.

Serious health condition is defined as an illness, injury, impairment, or physical or mental condition that involves:

- A. inpatient care, including any period of incapacity or any subsequent treatment in connection with such inpatient care; or
- B. continuing treatment by a healthcare provider, including:
  - 1. a period of incapacity of more than three (3) consecutive full calendar days and any subsequent treatment or period of incapacity relating to the same condition, that also involves either in person treatment two (2) or more times by a healthcare provider within thirty (30) days of the first date of incapacity absent extenuating circumstances beyond the employee's control, or in person treatment by a healthcare provider on at least one (1) occasion which results in a regimen of continuing treatment under the supervision of a healthcare provider;

The first visit to the healthcare provider must occur within seven (7) days of the first date of incapacity.

- 2. any incapacity due to pregnancy or for prenatal care;

3. any period of incapacity or treatment for such incapacity due to a chronic serious health condition;
  4. a period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective;
  5. any period of absence to receive multiple treatments by a healthcare provider either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three (3) consecutive days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), kidney disease (dialysis);
- C. conditions for which cosmetic treatment are administered are not "serious health conditions" unless inpatient hospital care is required or complications develop. Ordinarily, unless complications arise, the common cold, the flu, ear aches, upset stomachs, minor ulcers, headaches other than migraines, routine dental or orthodontia problems, periodontal disease, etc., are conditions that do not meet this definition and do not qualify for FMLA leave.

Whenever the leave is foreseeable, the staff member shall provide the Superintendent with thirty (30) days notice. If there is insufficient time to provide such notice because of unforeseeable events, the staff member shall provide such notice as soon as possible and practical, generally not later than the next business day after the employee realizes the need for leave. Failure to follow the leave notice requirements may result in delay of obtaining the leave. Employees will still be required to comply with the absence reporting procedures at their buildings.

When planning medical treatment, the staff member must consult with the Superintendent and make a reasonable effort to schedule the leave so as not to unduly disrupt the regular operation of the District, subject to the approval of the healthcare provider.

The staff member may request to substitute any of his/her earned or accrued paid vacation leave, personal leave or family leave (per the applicable collective bargaining agreement) for unpaid FMLA leave provided for the birth, adoption or foster care placement of a child, or qualifying exigency for a Service Member Family Leave (see A-1, B-1, and A-2 on page one).

The staff member may request to substitute any of his/her earned or accrued paid vacation, personal leave or sick leave (per the applicable collective bargaining agreement) for unpaid FMLA leave provided for the staff member's own serious health condition or to care for a spouse, parent or dependent child with a serious health condition (see C-1 and D-1 on page one and B-2 on page two).

If the staff member has not earned or accrued adequate paid leave to encompass the entire twelve (12) or twenty-six (26) week period of FMLA leave, any additional weeks of leave to which the staff member is entitled to shall be unpaid. Whenever a staff member uses paid leave for a qualifying leave under this policy, such leave will count towards the maximum allowable leave, the paid leave, and FMLA/Service Member Family leave to which the staff member is entitled will run concurrently.

The Superintendent may allow a staff member to take FMLA leave intermittently or on a reduced-leave schedule for the birth, adoption or foster care placement of a child (see A-1 and B-1 on page one). A staff member may take FMLA leave on an intermittent or reduced-leave schedule when medically necessary for his/her own serious health condition or to care for a spouse, parent or dependent child with a serious health condition (see C-1 and D-1 on page one). The taking of such leave results in the total reduction of the twelve (12) weeks only by the amount of leave actually taken.

If the intermittent or reduced-leave schedule is foreseeable based on planned medical treatment, the Superintendent may require the staff member to transfer temporarily to an available alternative position which better accommodates recurring periods of leave. The alternative position shall have equivalent pay and benefits but not necessarily equivalent duties.

The Superintendent will notify the staff member when the District intends to designate leave as FMLA-qualifying. Such notice may be given orally or in writing. When verbal notice is given, it will be followed by written notice within ten (10) business days. In the case of intermittent or reduced-leave schedule leave, only one (1) such notice is required unless the circumstances regarding the leave have changed. If the Superintendent does not have sufficient information about the reason for an employee's use of paid leave, the Superintendent may inquire further to ascertain whether the paid leave is FMLA-qualifying. Once the Superintendent learns that a paid leave is for an FMLA leave-qualifying reason, the Superintendent will promptly notify the staff member that the paid leave will count toward the staff member's twelve (12) week FMLA-leave entitlement.

In cases in which the Board employs both spouses, the total amount of FMLA leave is twelve (12) weeks for the couple, except when the leave is due to the serious health condition of either spouse or a child, or twenty-six (26) weeks of FMLA leave for Service Member Leave.

When FMLA leave is taken for the staff member's own serious health condition or to care for a spouse, parent or dependent child with a serious health condition (see C-1 and D-1 on page one), the staff member must provide medical certification from the healthcare provider of the eligible staff member or his/her immediate family member. When the staff member requests qualifying Service Member Leave, s/he must provide certification of a qualifying exigency or of the service member's serious illness.

The staff member may either:

- A. submit the completed medical certification to the Superintendent or his/her designee; or
- B. direct the healthcare provider to transfer the completed medical certification directly to the Superintendent, which will generally require the staff member to furnish the healthcare provider with a HIPAA-compliant authorization.

In the event the staff member fails to provide medical certification, any leave taken by the employee will not qualify for FMLA Leave/Service Member Family Leave.

When the need for FMLA leave is foreseeable and at least thirty (30) days notice has been provided, the staff member must provide the medical certification before the leave begins. When this is not possible, the employee must provide the requested certification to the Superintendent within fifteen (15) calendar days after the staff member requests FMLA leave unless it is not practicable under the circumstances to do so despite the staff member's diligent and good faith efforts.

Any dispute over eligibility for FMLA leave shall be discussed between the employee and Superintendent. The District shall be responsible for maintaining a record of those communications.

The Board reserves the right to obtain, at its expense, the opinion of a second healthcare provider and, in the event of conflict, the opinion of a third healthcare provider whose decision shall be binding and final. The staff member may either:

- A. submit the opinion of the second healthcare provider, and the opinion of the third healthcare provider if applicable, to the Superintendent; or
- B. direct the second or third healthcare provider to transfer his/her opinion directly to the Superintendent, which will generally require the staff member to furnish the healthcare provider with a HIPAA-compliant authorization.

In the event the staff member fails to provide the medical opinion of the second or third healthcare provider, if applicable, any leave taken by the employee will not qualify for FMLA leave.

A staff member who takes leave for his/her own serious health condition prior to returning to work, must provide the Superintendent with a statement from his/her healthcare provider that s/he is able to resume work.

Upon return from any FMLA leave, the Board will restore the staff member to his/her former position or to a position with equivalent employment benefits, pay and conditions of employment. During FMLA leave, the Board shall maintain the staff member's current coverage under the Board's group health insurance program on the same conditions as coverage would have been provided if the staff member had been continuously working during the leave period. If the staff member was paying all or part of the premium payments prior to going on FMLA leave, the staff member must continue to pay his/her share during the leave.

The staff member shall not accrue any sick leave, vacation, or other benefits during a period of unpaid FMLA leave.

The use of FMLA leave will not result in the loss of any employment benefit that accrued prior to the start of the staff member's leave.

If the staff member fails to return to work at the end of the leave for reasons other than the continuation, recurrence, or onset of a serious health condition of the staff member or of the staff member's immediate family member, or for circumstances beyond the control of the staff member, the staff member shall reimburse the Board for the health insurance premiums paid by the Board during the unpaid FMLA leave period.

A staff member who fraudulently obtains FMLA leave is not protected by this policy's job restoration or maintenance of health benefits provisions.

The Superintendent shall prepare any guidelines that are appropriate for this policy and ensure that the policy is posted properly.

In any areas where discretion is allowed in the implementation of this policy or its guidelines for implementation, such discretion shall be exercised in a non-discriminatory manner. Similarly situated persons shall be treated similarly.

The Superintendent shall provide a copy of the policy to all staff members, and retain a record of how and when the policy was distributed. A notice of Rights and Obligations shall also be provided each time an employee requests FMLA leave or the District has sufficient information to believe that the employee may qualify for FMLA leave.

The approval, denial and administration of leave under this policy will be governed by the Family Medical Leave Act of 1993, as amended, and its published regulations, as applied and interpreted by the Superintendent.
