

Log into IReady and follow the blue arrow followed by instruction under the screen shot to assign assignments to your students.

1. Click on Assess and Teach

2. Click on the instruction link found under resources

The screenshot shows a web browser window with the i-Ready educator dashboard. The browser's address bar displays the URL `login.i-ready.com/educator/dashboard/reading`. The dashboard header includes the i-Ready logo, navigation menus for 'Management', 'Assess & Teach', 'Reports', and 'Help', and the user name 'Tom Talmadge'. A white overlay box is centered on the page, containing a vertical sidebar with 'Resources', 'Instruction', and 'Assessment'. The 'Instruction' section is active, showing an 'Online Instruction' icon and a blue arrow pointing to the 'Reading | Math' link. Below the overlay, the main content area shows a 'Reading | Math' link and a list of resources including 'Online Instruction Action Plan Worksheet for Leaders', 'NEW: Planning Template to Help Spice Up Engagement Strategies', and 'Visit i-ReadyCentral for more Tips and Tools'. A light blue banner at the bottom of the dashboard reads 'Preparing for school closures? Click here for resources to support students away from school.' The Windows taskbar is visible at the bottom of the screen.

3. Now you should see reading / Math under a icon with Online Instruction above it. Select subject by clicking on either reading or math

4. Now you are on the online instruction page of IReady. Assign assignments by clicking on Create Assignments – Below a list of assignments will appear (go to step 5 to see)

The screenshot shows a web browser window displaying the i-Ready dashboard. The browser's address bar shows the URL: `login.i-ready.com/educator/assessandteach/instruction/i-ready/reading/00521080?tableconfig=%2527B%2522lesson-table-container%2522%253A%2527B%2522sort%2522%253A%2527B%2522direction%2522%253A%2522asc%2522%2527D%252...`. The dashboard interface includes a search bar for Lesson Name, a dropdown menu for Domain, and a search bar for Grade. Below these are 17 rows of activity data. Three blue arrows point to specific columns: 'Activity Name' points to the first column, 'Reading Skill' points to the second column, and 'Level' points to the third column.
