

MICHIGAN DEPARTMENT OF AGRICULTURE  
PESTICIDE AND PLANT PEST MANAGEMENT DIVISION

Dear Parent or Guardian:

The Hamtramck Public Schools utilizes an Integrated Pest Management (IPM) approach to control pests. IPM is a pest management system that utilizes multiple techniques to prevent pests from reaching unacceptable levels or to reduce an existing population to an acceptable level. Pest management techniques emphasize pest exclusion and biological controls. However, with most pest control programs, **pesticides may also be utilized** at our facility.

This notice has been provided in compliance with MCL324.8316 and must be provided within 30 days of the beginning of the school year. **We are also required to notify you of your right to review the IPM Plan and IPM records.** An IPM plan and records are required for pesticide applications inside the school, exclusive of sanitizer, disinfectant, germicide, and anti-microbial applications.

You also have the right to be informed prior to any application of a pesticide in or at the school grounds or buildings during this school year, with the exception of bait, gel, sanitizer, disinfectant, germicide, and anti-microbial applications. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied without prior notice to prevent injury to students, but you will be notified following any such application.

At least 48 hours before an application, **advance notification will be given by 1) posting at main entrances to the schools and 2) by posting in a public/common area other than a facility entrance.**

**The following individual is responsible for pesticide application procedures:**

**Name: Richard Wawrzynski, Building and Grounds Director**

**Phone: Number: 313-591-7403**

**Email: [rwawrzynski@hamtramckschools.org](mailto:rwawrzynski@hamtramckschools.org)**

In addition to the above methods of notice, if so desired the parent/guardian is entitled to receive the notice by first-class U.S. mail postmarked at least 3 days before the application. If you need prior notification, please complete the information below and mail to Hamtramck Building and Grounds Department, 11645 Klinger Hamtramck, MI 48212, Email to [rwawrzynski@hamtramckschools.org](mailto:rwawrzynski@hamtramckschools.org) or return to the school.
