## *Letter from the Director*

Dear Residents,

COVID-19 has brought challenges to the world of recreation, mainly that of social distancing. We take this challenge as a new opportunity to reinvent what we do for our community. We will keep some of the successful programming that defines us, and introduce new programming with careful attention to safety. Our recreation team has been working hard throughout this pandemic to continue to provide high quality programs to our community. We are proud of our successes over the last few months, and hope to have a few more during the Fall/Winter seasons. We look forward to welcoming you back.
